Announcement

Shorthorns completely stole the steer show at the 1946 Chicago International by winning Grand and Reserve Grand Championships over all breeds. They also won champion three-steer and get of sire groups over all breeds. The Grand Champion steer sold at a new all time record for the Chicago International of \$10.50 a pound to total \$14,490.

This is really an accomplishment completing the Centennial year celebrating the 100th anniversary of the founding of the Shorthorn herd book. Let's start the second one-hundred years by making the Fort Worth Sale one of the top State sales of the year.

In this offering we have some outstanding herd bull prospects and foundation females. The cattle have been selected especially for this sale. Several of the consignors made selections and started fitting their animals as soon as they returned from the sale last year.

We extend to you a special invitation to attend the Shorthorn Sale Wednesday morning, March 12th, during the Fort Worth Stock Show.

SHORTHORNS

SWEEP STEER SHOW

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER; (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*
